Forecast For Northwest England
Issued by Met Office Exeter
at 1600 on Wednesday 29 Sep 2021

++ Valid for broadcast between 1800 and 0600

Headline:
A dry night tonight. Wetter conditions tomorrow.

This Evening and Tonight:
Daytime showers soon clear to leave a dry night but conditions become wet and windy through the early hours as a band of rain moves into the region, heavy at times. Minimum temperature 7 deg C (45 deg F).

Thursday:
A wet, windy morning with heavy rain, gradually clearing in the early afternoon. However, wetter conditions are expected in the evening as a band of heavy rain moves east overnight. Maximum temperature 16 deg C (61 deg F).

Outlook for Friday to Sunday:
A mixture of sunshine and showers on Friday. Becoming more unsettled over the weekend with risk of strong winds, heavy rain and blustery showers.
